

Usama Bin Kashif.

About Me

My name is Usama Ahmed Sheikh, currently living in Hyderabad, Sindh. I am doing BS in Software Engineering. My primary focus and inspiration for my studies is Full Stack Developer. I am both driven and self-motivated, and I am constantly experimenting with new technologies and techniques. I have 40+ GitHub repositories.

I am very passionate about Full Stack development community as well. I have been studying Full Stack Development since 2019 and I am lucky enough that I can call my work, my hobby.
