

Usama Ahmed

Summary

My name is Usama Ahmed Sheikh, recently I have done my graduation from University of Sindh, Jamshoro in Software Engineering. I am a dedicated and professional developer who have eager to contribute to team success through hard work, attention to detail, and excellent organizational skills.

My expertise includes developing complex web applications using React JS, Redux, and other related libraries and frameworks of React JS such as Next JS. Skilled in creating responsive and user-friendly user interfaces (UI) using CSS frameworks such as Material UI, Tailwind CSS. Experience in developing single page applications (SPAs) that offer an immersive user experience. Ability to integrate with RESTful APIs and other third-party services such as Firebase and Google Maps. Expertise in optimizing and fine-tuning React JS applications for maximum performance, scalability, and security.

Familiarity with back-end technologies such as Node.js, Express, and MongoDB for developing full-stack applications using JavaScript (ES5, ES6, ES7) and TypeScript. I know versioning tools such as Git and GitHub for efficient collaboration with other developers.

Education History

Bachelor of Science in Software Engineering.

Institution: University of Sindh, Jamshoro.

Year of Graduation: 2023

Experience

- **Frontend Developer**
May 2023 - Present (Remote)
Zimo Group, London UK.
- **Frontend Developer Intern**
Apr 2023 - May 2023 (Remote)
Zimo Group, London UK.
- **Freelance**
2022
Upwork and other local platforms.
- **Frontend Developer Intern**
Feb 2021 - Apr 2021 (Remote)
Interns.pk
