Usama Ahmed

Summary

My name is Usama Ahmed Sheikh, currently living in Hyderabad, Sindh. I am a dedicated and professional developer who have eager to contribute to team success through hard work, attention to detail, and excellent organizational skills. A clear understanding of Frontend and Backend technologies and Software Development Life Cycles. Motivated to learn, grow and excel in this domain.

I am very passionate about Full Stack Development and constantly experimenting with new technologies. I have 40+ GitHub Repositories with open source projects like Peachy Rides, WhatsApp Web Clone, LinkedIn clone, Google Search Clone, Snapchat Clone and small practicing projects.
